

ГОТОВЫЕ МОНОЛОГИ ОГЭ "SCHOOL"

I) School (7D3B5F)

You are going to give a talk about your school. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

Remember to say:

- what your typical school day is like;
- what subjects at school you find most useful for your future, and why;
- what you are going to do when you leave school;
- what your attitude to school life is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about my school.

To begin with, I'd like to say that my typical school day is quite busy. My lessons start at 8 a.m. and I always have six or seven classes a day. After school, I have some extra lessons to prepare for my exams. When I come home, I usually do my homework, relax and spend time with my family.

My favourite subjects at school are ICT and English. I think they are the most useful subjects for my future because most jobs today require strong computer skills and a good level of English.

When I leave school, I'm going to study business at university. I'd like to start my own company in the future, so this knowledge will help me a lot.

All in all, my attitude to school life is positive. I sometimes feel tired, but I know that school is important for my future. I like learning new things and hanging out with my classmates.

That's all I wanted to say about my school.

2) School (37A3A9)

You are going to give a talk about your school. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

Remember to say:

- what you like about your school most of all;
- how many lessons a day you usually have;
- what school subjects you have chosen for your exams, and why;
- what your attitude to the number of subjects you have to learn is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about my school.

To begin with, I'd like to say that I really like my school. The most enjoyable thing about my school is spending time with my friends and learning new things every day.

Actually, my typical school day is quite busy. We usually have six or seven classes a day. However, I don't feel too tired because our lessons are interesting.

My favourite subjects at school are ICT and English. I have chosen them for my exams because I'm good at these subjects and I think they are useful for my future.

All in all, my attitude to the number of subjects I have to learn is positive because it helps me broaden my horizons and develop many important skills.

That's all I wanted to say about my school.

3) School (9FI047)

You are going to give a talk about your school. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

Remember to say:

- what your typical school day is like;
- what your favourite subject is, and why;
- what you like most about your school;
- what your attitude to your school life is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about my school.

To begin with, I'd like to say that my typical school day is quite busy. My lessons start at 8 a.m. and I always have six or seven classes a day. After school, I have some extra lessons to prepare for my exams. When I come home, I usually do my homework, relax and spend time with my family.

My favourite subject at school is English because it is interesting and helps me understand foreign films and songs. English is also important for my future because most jobs today require a good level of English. Actually, I really like my school. The most enjoyable thing about my school is spending time with my friends and learning new things every day.

All in all, my attitude to my school life is positive because it helps me broaden my horizons and develop many important skills.

That's all I wanted to say about my school.

4) School (C666E8)

You are going to give a talk about your school. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

Remember to say:

- what you like most about your school;
- what weekday you find the most difficult, and why;
- what you would like to change in your school life;
- what your attitude to your school life is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about my school.

To begin with, I'd like to say that I really like my school. The most enjoyable thing about my school is spending time with my friends and learning new things every day.

For me, the most difficult weekday is Monday. Mondays are usually pretty busy because we have seven classes. Besides, it is hard to concentrate and get back into the routine after the weekend.

If I could change something in my school life, I would like to have less homework. Sometimes there is too much and I don't have enough free time for my hobbies and rest.

All in all, my attitude to my school life is positive because it helps me broaden my horizons and develop many important skills.

That's all I wanted to say about my school.

5) School life (F93EA0)

You are going to give a talk about school life. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

Remember to say:

- what your weekday is like;
- what you like about your school most of all;
- whether you prefer classroom learning or online learning, and why;
- what your attitude to your school life is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about my school life.

My weekday is usually quite busy. I get up early in the morning, have breakfast and go to school. My lessons start at 8 a.m. and I usually have six or seven classes a day. After school, I do my homework, relax and spend time with my family.

Though I sometimes feel tired after classes, I really like my school. The most enjoyable thing about my school is learning new things and spending time with my friends every day.

Actually, hanging out with my classmates is the main reason why I prefer classroom learning to online learning. Besides, it's easier to concentrate in the classroom because there are fewer distractions than at home.

All in all, my attitude to my school life is positive because it helps me broaden my horizons and develop many important skills.

That's all I wanted to say about my school.
