I) School (7D3B5F)

You are going to give a talk about your school. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

Remember to say:

- what your typical school day is like;
- what subjects at school you find most useful for your future, and why;
- what you are going to do when you leave school;
- what your attitude to school life is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about my school.

To begin with, I'd like to say that my typical school day is quite busy. My lessons start at 8 a.m. and I always have six or seven classes a day. After school, I have some extra lessons to prepare for my exams. When I come home, I usually do my homework, relax and spend time with my family.

My favourite subjects at school are ICT and English. I think they are the most useful subjects for my future because most jobs today require strong computer skills and a good level of English.

When I leave school, I'm going to study business at university. I'd like to start my own company in the future, so this knowledge will help me a lot.

All in all, my attitude to school life is positive. I sometimes feel tired, but I know that school is important for my future. I like learning new things and hanging out with my classmates.

That's all I wanted to say about my school.

2) School (37A3A9)

You are going to give a talk about your school. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

You are going to give a talk about your school. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

Remember to say:

- what you like most about your school;
- what weekday you find the most difficult, and why;
- what you would like to change in your school life;
- what your attitude to your school life is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about my school.

To begin with, I'd like to say that I really like my school. The most enjoyable thing about my school is spending time with my friends and learning new things every day.

For me, the most difficult weekday is Monday. Mondays are usually pretty busy because we have seven classes. Besides, it is hard to concentrate and get back into the routine after the weekend.

If I could change something in my school life, I would like to have less homework. Sometimes there is too much and I don't have enough free time for my hobbies and rest.

All in all, my attitude to my school life is positive because it helps me broaden my horizons and develop many important skills.

That's all I wanted to say about my school.

5) School life (F93EA0)

You are going to give a talk about school life. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

Remember to say:

- what your weekday is like;
- what you like about your school most of all;
- whether you prefer classroom learning or online learning, and why;
- what your attitude to your school life is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about my school life.

My weekday is usually quite busy. I get up early in the morning, have breakfast and go to school. My lessons start at 8 a.m. and I usually have six or seven classes a day. After school, I do my homework, relax and spend time with my family.

Though I sometimes feel tired after classes, I really like my school. The most enjoyable thing about my school is learning new things and spending time with my friends every day.

Actually, hanging out with my classmates is the main reason why I prefer classroom learning to online learning. Besides, it's easier to concentrate in the classroom because there are fewer distractions than at home.

All in all, my attitude to my school life is positive because it helps me broaden my horizons and develop many important skills.

That's all I wanted to say about my school.

6) School holidays (OBF608)

You are going to give a talk about school holidays. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

- when you have school holidays;
- what school holidays you would make longer, and why;
- what you enjoy doing during your school holidays;
- what your attitude to school holidays is

You have to talk continuously.

Possible answer:

I'm going to give a talk about my school holidays.

To begin with, I would like to say that we usually have holidays four times a year: in autumn, winter, spring and summer. Summer holidays are the longest ones.

Personally, I would make winter holidays longer because students often feel tired in the middle of the school year and need more rest. During my school holidays, I enjoy spending time with my friends and family. I also like travelling, watching films, listening to music and sleeping longer than usual.

All in all, my attitude to school holidays is very positive. I think holidays help students relax, recharge their batteries and return to school with more energy.

That's all I wanted to say about my school holidays.

- whether schoolchildren should be given more or less homework, and why;
- what your attitude to school homework is

You have to talk continuously.

Possible answer:

I'm going to give a talk about school homework.

To begin with, I would like to say that homework is important because it helps students practise what they learn at school. It also helps students prepare for tests and exams.

It usually takes me about two or three hours to do my homework.

Sometimes it takes longer if I have a lot of subjects.

Personally, I usually start with Maths because it is one of the most difficult subjects for me. I prefer doing difficult tasks first.

In my opinion, schoolchildren should have less homework because they often feel tired after school. They need time to relax and spend time with friends and family.

All in all, my attitude to homework is positive. I think homework is useful if it is not too difficult or stressful.

That's all I wanted to say about school homework.

8) Learning foreign languages (84B5E9)

You are going to give a talk about your school. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

In my region, many teenagers enjoy different sports activities. I think football, volleyball and swimming are especially popular. Some teenagers also go to the gym or ride bicycles.

All in all, my attitude to a healthy lifestyle is positive. In my opinion, it is important to take care of both physical and mental health. A healthy lifestyle boosts people's energy and mood.

That's all I wanted to say about keeping fit.

28) Hobbies (8B7C0D)

You are going to give a talk about hobbies. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

Remember to say:

- why it is important for people to have a hobby;
- what your hobby is and how long you have been doing it;
- how much time a week you give to your hobby and why;
- what your attitude to creative hobbies is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about hobbies.

To begin with, I would like to say that it is very important for people to have a hobby because hobbies help people relax and enjoy their free time. Besides, hobbies can help people develop new skills and meet new friends.

As for me, my hobby is reading books. I have been interested in reading since childhood because I enjoy exciting stories and learning new things. I usually spend 5-7 hours a week reading because it helps me recharge my batteries and broaden my horizons.

In my opinion, creative hobbies are very useful. They help people use their imagination and express themselves.

All in all, I think hobbies are an important part of our life. They make our life more interesting and enjoyable and help us feel happier.

That's all I wanted to say about hobbies.

29) Shopping (FAEEAB)

You are going to give a talk about TV. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences). Remember to say:

- why many people enjoy shopping;
- who you like shopping with and why;
- what you like and dislike shopping for;
- what your attitude to online shopping is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about shopping.

To begin with, I would like to say that many people enjoy shopping because it helps them relax and improve their mood. Besides, shopping is a good way to spend time with friends or family.

Personally, I like shopping with my friends because they give me useful advice and we make good choices. We often go shopping together at weekends.

I like shopping for clothes, books and gifts. However, I do not like shopping for food because it is boring and tiring.

In my opinion, online shopping is fast and convenient. People can compare prices and buy things without leaving home.

All in all, my attitude to shopping is positive because it can be both useful and enjoyable.

That's all I wanted to say about shopping.

30) The place where you live (74F38A)

You are going to give a talk about the place where you live. You will have to start in 1.5 minutes and speak for not more than 2 minutes (10-12 sentences).

- what your attitude to your city, town or village is.

You have to talk continuously.

Possible answer:

I'm going to give a talk about the place where I live.

To begin with, I would like to say that Moscow is famous for its beautiful parks, theatres and historical places. It is a very modern city with a rich culture and many tourist attractions.

My favourite place in Moscow is Arbat Street because there are many cafes, shops and street musicians there. I enjoy spending time with my friends and family there.

I think I would like to stay in my city after leaving school because my family and friends live here. Besides, Moscow gives young people many opportunities for studying and working.

All in all, my attitude to my city is positive. In my opinion, it is a wonderful place for living, studying and travelling.

That's all I wanted to say about the place where I live.
